Product Highlights

• 2 PLL Tuners

Watch one programme while recording another with the freedom of the 2 PLL Tuners.

• Plug & Play

Installing a Combi has never been easier! No need of the user manual. Just let the Combi guide you through the installation steps.

• One Touch Record (OTR)

Start a recording with the touch of a single button. Each further touch of the record button adds 30 minutes of recording time. The actual end time will be automatically calculated by the set and displayed.

• SMART Clock

For automatic download of the current Time & Date. No more hassle with the clock setting after long power failure or at the daylight savings time switch over.

• Digital Studio Picture Control

Be sure to obtain the best picture quality with any kind of tape thanks to a digitally controlled Noise-Reduction Circuitry.

• Full Auto Feature Package

Incorporated into every PHILIPS Combi and includes:

- Automatic Power On when a tape is inserted.
- Automatic Digital Studio Tracking, assuring proper movements of video and audio heads for perfect recordings and viewing every time.
- Auto Play, inserting pre-recorded tapes will activate the Play mode.
- Auto Rewind as soon as the tape reaches the end.
- Auto Eject after record at the end of the tape, so tapes are not inadvertently left in the Combi.
